IN RE: "POLICE OFFICER'S 'EXCESSIVE USE OF FORCE' ON ME, USE OF 'FALSE EVIDENCE AND PERJURED TESTIMONY' USED TO SUSTAIN BURGLARY CHARGES AGAINST ME;

Sub: "Request to file AN EMERGENCY COMPLAINT

POLICE INVOLVED:

Ofc. WAGNER # 10600
Ofc. PACHECO # 12550
Ofc. HALEEM # 14193

To whom This May concern:

I AM writing this Letter to you, AND Requesting that you, OR MEMBERS OF THE "OFFICE OF PROFESSIONAL STANDARDS" PERFORM AN EMERGENCY REVIEW OF MY LETTER/COMPLAINT OF POLICE - MISCONDUCT THAT OCCURRED ON OR ABOUT SEPTEMBER 12th, 2007 AT THE "51st AND WENTWORTH POLICE STATION" BY MEMBERS OF THE "S.O.S. MIDNIGHT GANG CRIME UNIT.

That it is imperative that an immediate review of these - - allegations be conducted, because not only was I assaulted by these officer's but, I was hospitalized at Mercy Hospital (# A-0001327254 (Admitted 9/12/07) * (# A-07255-00296). See: All hospital reports.

In addition, to being assaulted, I was "framed" by having a bogus" felony Burglary charge put on me by these - - corrupt officer's in which I am currently incarcerated at the Cook County Jail, and my life hangs in the balance.

* note: PLEASE BE MINDFUL THAT CERTAIN FACTS ARE OMITTED
DUE TO THE PENDENCY OF MY CRIMINAL CASE. *

That on or about September 12th, 2007, at approximately midnight, while I was walking from my Auntie's House located at 7239 South Richmond Ave. I began walking down from Richmond Ave to 73rd and Western and I proceeded to walk to 79th and Western bus terminal enroute to catching the - 79th and Lakefront Street bus to my home at 7921 S. Marquette.

As I walked down "Western" toward 79th I was pulled over by Detective's of the "Special Operations Section "S.O.S." of the Midnight Gang unit. I was ~~was~~ searched, Detained and asked for ID and placed in handcuffs. I then was driven to 5101 S. Westworth (Police Station).

I asked Detective's what was I being Detained and one of them responded "that I had a warrant in Atlanta for identity theft and then one Detective began to search me

and strip me of all my properties and I asked why and they the (Detectives) said "I was being charged with - - Long Burglary. I attempted to assert my innocence and I grabbed my personal property off the desk and the Detective tackled me on to the floor and began to "Beat me on the Left-Side of my head as I laid on the floor with the Metal chair I was handcuff to and then I was constantly punched, kicked and my head was repeatedly hit against the floor.

I was then dragged to the holding cell in Lock-up and left in the cell for approx (6) hours laying helpless on the floor, without Medical Assistance ~~and~~ until later in the day, in which I was transported to Mercy hospital for treatment.

That when I returned I was Detained At 51st Police Station from Sept 12th 2007 - to - Sept 14th, 2007 without seeing a Lawyer or Judge.

In sum I Requesting an immediate investigation into this Matter and I Await A thorough interview.

I Thank you in Advance for any consideration you give my Letter.

- (d) To conduct investigations into cases where the death of a person or an injury sustained by a person occurs while in police custody or where an extraordinary or unusual occurrence occurs in lockup facilities, even when no allegation of misconduct is made;
- (e) To review all cases settled by the department of law in which a complaint register was filed against a member of the department, and if, in the opinion of the chief administrator, further investigation is warranted, to conduct such investigation;
- (f) To forward all other complaints filed against members of the department to the department's internal affairs division;
- (g) To conduct investigations in a manner consistent with Article IV of Chapter 2-84, the rules and regulations established by the police board, and all department operating procedures, general orders, collective bargaining agreements, and other applicable laws and regulations;

- (m) To promulgate rules, regulations and procedures for the conduct of the independent police review authority's investigations consistent with the requirements of collective bargaining agreements, due process of law and equal protection under the law.

Nothing in this chapter shall preclude the chief administrator from referring a complaint or information concerning a member of the department to the appropriate federal, state or local law enforcement authorities.

2-57-050 Subpoena issuance.

The chief administrator, or his or her designee, may administer oaths and secure by its subpoena both the attendance and testimony of witnesses and the production of relevant information. A subpoena shall be served in the same manner as subpoenas issued under the Rules of the Illinois Supreme Court to compel appearance of a deponent, and subject to the same witness and mileage fees fixed by law for such subpoenas.

A subpoena issued under this chapter shall identify the person to whom it is directed and the documents or other items sought thereby, if any, and the date, time and place for the appearance of the witness and production of the documents or other items described in the subpoena. In no event shall the date for examination or production be less than seven days after service of the subpoena.

2-57-060 Decisions; recommendations.

(a) If the chief administrator issues a recommendation of discipline against one or more members of the department, the superintendent must respond to such recommendation within 90 days. The response must include a description of any disciplinary action the superintendent has taken with respect to the member in question.

(b) If the superintendent did not take any disciplinary action, or takes a different disciplinary action than that recommended by the chief administrator, the superintendent must describe the proposed different action and explain the reasons for the different action in the written response. The superintendent's response shall include, but is not limited to, the following reasons for taking a different action:

- (i) an analysis of the employee's work history, including any prior disciplinary actions, any prior complaints filed against the employee, and/or any prior

- complimentary history;
- (ii) the superintendent's professional opinion with regard to the case;
- (iii) the existence of any lawsuits arising out of the performance of police duties to which the employee has been a named party, and the outcome of such lawsuits, including those in which the employee has been exonerated; and
- (iv) any evidentiary concerns with regard to the investigation.

This response must be submitted to the chief administrator within the 90-day decision period.

(c) Within ten business days after the submission of a response letter which proposes less discipline than that recommended by the chief administrator, the superintendent and the chief administrator shall meet to discuss the reasons for the superintendent's actions. If the chief administrator does not concur with regard to the superintendent's reasons for the differing disciplinary action, the chief administrator shall, within five business days, send the superintendent's response, along with the chief administrator's objections, to a separate panel consisting of three persons who shall be designated by the police board from its membership.

The three-member panel shall, within ten business days of receipt, review the superintendent's response and the chief administrator's objections. Upon the request of the three-member panel, the superintendent and the chief administrator may be required to present additional documentation or present oral arguments in support of their positions. If the superintendent's response does not meet its burden of overcoming the chief administrator's recommendation for discipline, in the opinion of the majority of the three-member panel, the recommendation shall be deemed to be accepted by the superintendent. Such members of the panel shall then recuse themselves from any future involvement with such case by the full police board.

(d) No action of the superintendent which proposes to take less discipline than that recommended by the chief administrator shall be valid until the provisions of subsection (c) of this section are followed.

(e) If the superintendent fails to respond to the recommendation within the 90-day decision period, such recommendation shall be deemed to be accepted by the superintendent.

(f) Nothing in this section shall limit the superintendent's ability to impose any additional discipline than that recommended by the chief administrator.

2-57-070 Investigations not concluded within six months.

If the chief administrator does not conclude an investigation within six months after its initiation, the chief administrator shall notify the mayor's office, the city council committee on police and fire, the complainant, and the employee named in the complaint or his or her counsel of the general nature of the complaint or information giving rise to the investigation and the reasons for failure to complete the investigation within six months.

2-57-080 Cooperation in investigations.

Prior to serving a complete term, the chief administrator may be removed only for cause and in accordance with the provisions of this section. The mayor shall give written notice (a) to the city council of his intent to remove the chief administrator; and (b) to the chief administrator of the cause of his intended removal. Within ten days after receipt of the notice, the chief administrator may file with the city council a request for hearing on the cause for removal. If no such request is made within ten days, the chief administrator shall be deemed to have resigned his or her office as of the tenth day after receipt of the notice of intended removal. If such a request is made, the city council shall convene a hearing on the cause for removal of the chief administrator, at which the chief administrator may appear, be represented by counsel and be heard. The hearing shall be convened within ten days after receipt of the request therefor and conclude within 14 days thereafter. The mayor's notice of intended removal shall constitute the

charge against the chief administrator. Removal of the chief administrator for cause after the hearing shall require the affirmative vote of a majority of the members of the city council.

2-57-130 Obstructing or interfering with investigations -Penalty.

No person shall wilfully refuse to comply with a subpoena issued by the chief administrator, or otherwise knowingly interfere with or obstruct an investigation authorized by this chapter and conducted by an announced investigator of the independent police review authority. Any person who wilfully violates the provisions of this section shall be subject to a fine of not less than \$1,000.00 and not more than \$5,000.00 for each such offense, or imprisonment for a period of not less than 30 days and not more than six months, or both a fine and imprisonment. Each day that a violation continues shall constitute a separate and distinct offense. Actions seeking the imposition of a fine only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Code of Civil Procedure, as amended. Actions seeking incarceration, or incarceration and a fine, shall be filed and prosecuted as misdemeanor actions under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code, as amended.

Any employee or appointed officer of the city who violates any provision of this chapter shall be subject to discharge (or such other discipline as may be specified in an applicable collective bargaining agreement) in addition to any other penalty provided in this chapter.

The chief administrator is authorized to adopt such rules, regulations and procedures as he or she may deem expedient for the proper administration and enforcement of the provisions of this chapter.

2-57-160 Public policy.

The public policy of this chapter is to make certain that complaints concerning police misconduct and abuse are resolved fairly and timely. All collective bargaining agreements must be in accord with this policy.
